LAS VEGAS

OVERVIEW

NoMad Las Vegas, will bring the refinement of a European home to Park MGM with a NoMad hotel, casino, pool, and NoMad Restaurant and NoMad Bar led by the 2017 World's 50 Best Restaurant winners, Daniel Humm and Will Guidara. The hotel, created by Sydell Group in partnership with Make It Nice, is a place of rendezvous and romance, where elegant evenings and moments of chance mix with extraordinary food and gracious hospitality. The design, as in New York and Los Angeles, is a collaboration with Jacques Garcia drawing inspiration from the natural surroundings of the desert with a nod to the glamour and playfulness of The Strip. The hotel, as with its sister locations, offers a highly personalized and holistic service paired with understated sophistication, comfort and intimacy.

ROOMS

Designed by French architect and designer Jacques Garcia, each of the 293 rooms and suites at NoMad Las Vegas are residential in feel and decorated in his timeless style with a distinct New York sensibility. Every room is appointed with custom-designed furnishings, original artwork curated by Paris-based design studio be-poles, Bellino linens, and large flat screen TVs. Many rooms also feature freestanding pedestal bathtubs and separate water closets.

DINING

The Restaurants and Bars of NoMad Las Vegas are anchored on the same foundation as our other properties in New York and Los Angeles: grand experiences rooted in gracious hospitality and casually-elegant cuisine. Created and managed by Chef Daniel Humm and Restaurateur Will Guidara—the team behind Eleven Madison Park (The World's 50 Best #1 restaurant in the world, 2017), expect a more casual, all-day bar and restaurant anchored in the distinguished and innovative cocktail program managed by Leo Robitschek and team; a theatrical ode to classic American fine-dining; and a whimsical and approachable poolside cafe and bar.

CASINO

Under the iconic Tiffany glass ceiling of the former Monte Carlo, the very first NoMad Casino provides an intimately refined space to play Roulette, Blackjack, and Baccarat. The high-limit gaming floor takes inspiration from the old-world glamour of European casinos and the playfulness of our new home on The Strip. The Casino Bar will showcase expertly crafted cocktails from acclaimed bar director, Leo Robitschek.

THE NOMAD BAR

Our all-day restaurant, The NoMad Bar, serves breakfast, lunch, dinner, and late night--perfect for a cocktail and a snack or a more substantial meal. An eclectic menu of shareable plates, snacks, sandwiches, pastas and more is available throughout the day with live music most evenings. The beverage program is created and managed by award-winning Bar Director Leo Robitschek. Leo and his team received the honor of "Best Bar in North America" and the #3 ranking in the world at the 2017 World's 50 Best Bars.

THE NOMAD RESTAURANT

Serving dinner nightly, The NoMad Restaurant is our most formal offering, featuring many of NoMad's signature restaurant dishes such as Roast Chicken for Two and Fruits de Mer alongside an array of classically-inspired appetizers, soups, and salads; a large selection of entrées "for two"; seasonal pastas, meats, and fish. Custom service pieces, tableside presentations, and communal courses add to the theatricality of the space. For Private Events, a full-buyout of the restaurant would be required for dinner; pricing is dependent on programming, seasonality, and date.
