

NO MAD

YOUR SAFETY & WELLNESS ISEVERYTHING.

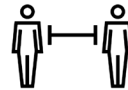

We're here for you and our priority is your health and safety. So, we've developed new safety measures and increased sanitization protocols to provide a clean, safe, and comfortable experience.

All public spaces will be frequently sanitized throughout the day. All guest rooms will undergo enhanced disinfecting measures with extra attention paid to high touch surfaces.

Masks will be required for all guests in public spaces and we have masks available at the front desk and for purchase in-room.

We are in this together and maintain an atmosphere of mutual respect. With this we ask everyone on property to follow social distancing rules by keeping at least six feet between each other or groups.

We require temperature checks by thermal cameras and contact tracing of all staff and guests before entering the property. Those who don't pass will not be permitted on property.

Hand sanitation stations will be available at the front desk, restrooms, guest rooms and all public spaces.

Have housekeeping your way. Just let us know what frequency you are comfortable with and we will accommodate. Your minibar will only be re-stocked upon your request to reduce foot traffic to your room.

See more on page 2...

WE'VE GOT YOU COVERED.

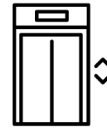

All of our public spaces and guest rooms are disinfected with highly-comprehensive procedures using electrostatic sprayers with EPA approved solution to ensure the sanitization of all surfaces and items.

We're continuing to closely follow all government-mandated safety measures and all related updates.

Please reach out if you have any questions or concerns and let us know how we can make your stay with us an enjoyable one.

Stay well.

www.thenomadhotel.com

All elevators will be limited to one guest, couple, or team per ride.

Guests will be asked to abide by self-screening protocols about current symptoms and recent exposure to COVID-19 prior to arriving for their stay.

We have all the info you need at your fingertips, but without the touch. All printed info and menus will be available through QR codes around property and in guest rooms.

All employees will be equipped with appropriate PPE, trained on new procedures, and take all reasonable precautions to ensure a safe environment for you.

With your safety in mind we will **also** have self-parking available for all guests and visitors.

Our gym's max occupancy will be reduced to allow for comfortable distancing for guests enjoying this amenity.
